

So many residents of the middle keys are homeless. Episcopal Charities is raising money to lease Travel Trailers for families so they have homes while they repair their own or get FEMA trailers.

We are calling on you to help us raise \$200,000 for 20 trailers that will house over 100 men, women, and children for 3-6 months.. (Checks can be sent to the Bishop's Appeal marked for Marathon Travel Trailers). PLEASE HELP.

St. Columba's

First trailers are at St. Columba's for temp housing

St. Francis

We continue to need more workers, especially those with building, carpentry, electric and plumbing skills. FEMA trash removal was extended to October 21<sup>st</sup> so if you can go before then it would be most appreciated. Our newest list of supplies needs is below. **Smaller items are to be brought to the church office for storage in Rev. Wendy's office. Episcopal Charities will pick them up. Large items are to be brought to the truck donated by American Van Lines at the following address.** They will deliver to Marathon when we have a full truck.

### American Van Line

1351 NW 22nd Street, Pompano Beach FL 33069

Attn: EC/Toni Hastings

### New Items Needed

- Rubbermaid bins
- Rubbermaid sheds
- Pods
- Small bottles of laundry Detergent
- Lawn furniture
- Grills

For the future, please begin saving clothing in great shape:

A large part of St. Columba's income is from their thrift store which received major flood damage and the loss of all of their inventory. In the future, they will be replenishing and will reopen. No date yet of when they can receive these items.
